ORGANIZING COMMITTEE

HONORARY CHAIRS
Dang Luang Mo
Vietnam National University, Ho Chi Minh City, Vietnam
Isao Shirakawa
University of Hyogo, Japan

GENERAL CHAIR
Hiroshi Ochi
Kyushu Institute of Technology, Japan

GENERAL CO-CHAIRS
Yoshio Itoh
Tottori University, Japan
Hiroshi Tamura
Chuo University, Japan

TECHNICAL PROGRAM CHAIR
Shigetaka Takagi
Tokyo Institute of Technology, Japan

TECHNICAL PROGRAM CO-CHAIRS
Yong Lian
Singapore University, Singapore
Andy Wu
Taiwan University, Taiwan
Takashi Morie
Kyushu Institute of Technology, Japan

SPECIAL SESSION CHAIR
Hitoshi Kiya
Tokyo Metropolitan University, Japan

SPECIAL SESSION CO-CHAIR
Shigenori Kinjo
Japan Coast Guard Academy, Japan
Nozomu Togawa
Waseda University, Japan
Keisuke Nakano
Niigata University, Japan

PROMOTION CHAIR
Yoshikazu Miyanaga
Hokkaido University, Japan

TUTORIAL CHAIR
Shingo Yoshizawa
Kitami Institute of Technology, Japan

PUBLICATION CHAIR
Hiroshi Tsutsui
Hokkaido University, Japan

REGISTRATION CHAIR
Takao Onoye
Osaka University, Japan

FINANCE CHAIR
Naoto Sasaoka
Tottori University, Japan

LOCAL ARRANGEMENT CO-CHAIRS
Morikazu Nakamura
University of the Ryukyus, Japan

SECRETARY
Masayuki Kurosaki
Kyushu Institute of Technology, Japan

2014 IEEE ASIA PACIFIC CONFERENCE ON CIRCUITS AND SYSTEMS

Nov. 17 – Nov. 20, 2014
ANA Intercontinental Ishigaki Resort Hotel, Japan

The Smart and Green Circuits and Systems
Call for Papers
November 17 – 20, 2014・Ishigaki Island, Okinawa Japan

The IEEE APCCAS 2014, the 12th of the biennial Asia Pacific Conference on Circuits and Systems, will be held in Japan at the splendid ANA Intercontinental Ishigaki Resort , Okinawa prefecture. The rich cultural traditions, abundant coral reefs, distinctive regional foods and the natural warmth of its people make this island getaway an unforgettable destination. The APCCAS is a major international forum established by the IEEE Circuits and Systems Society for researchers to exchange their latest findings in circuits and systems.

The IEEE APCCAS 2014 is a meeting place for scholars, scientists, educators, students, engineers, entrepreneurs and managers. It covers a wide range of topics including, but not limited to the following:

- Analog Signal Processing
- Biomedical and Life-Science Circuits, Systems and Applications
- Circuits and Systems for Communication
- Digital Signal Processing
- Embedded Systems
- Emerging Technologies for Circuits and Systems
- HP/HV IC designs
- MEMS Technology
- Multimedia Systems and Applications
- Nanoelectronics and Gigascale Systems
- Neural Systems and Applications
- Nonlinear Circuits and Systems
- Power and Energy Circuits and Systems
- RF/mm-Wave IC Design and Technology
- Sensory Systems
- System-on-Chip
- Testing Technology
- Visual Signal Processing and Communications
- VLSI Systems & Applications
- LIVE DEMO

STUDENTS TRAVEL SUPPORT: **Students travel support program is now available.**

TUTORIALS: The tutorials will be held on **17 Nov. 2014**.

PAPER SUBMISSIONS: Complete 4-page manuscript (in standard IEEE double-column format), including title, authors' names, affiliations and e-mail addresses, and a short abstract are requested. Papers must be submitted electronically in PDF format. Only electronic submissions will be accepted.
The proceedings will be indexed by IEEE Xplore, EI, SCI and SCI Expanded (Web of Science).

LIVE DEMO SESSIONS: **Submissions for Live Demo are also welcomed.**

Keynote Speeches *will be addressed by experienced leading experts from academia and industry.*

IMPORTANT DATES	
Submission of Papers in Regular Sessions:	**13 June 2014 (Firm Extended)**
Submission of Papers in Special Sessions:	**13 June 2014 (Firm Extended)**
Live Demo Papers within 1-2 pages:	**4 July 2014**
Notification of Paper Acceptance:	8 August 2014
Notification of Live Demo Acceptance:	8 August 2014
Submission of FINAL Papers:	12 September 2014
Deadline for Author Registration	12 September 2014

The details will be announced soon in APCCAS website:
